Modular

DESIGNED TO INTERACT

Our Modular family is designed to seamlessly integrate into homes where family and friends come together as one unit.

With multipurpose modularity, you can easily rearrange the sofa and chair to suit different use scenarios, making it a flexible and adaptable solution for your space.

Splitback Family

Design by Per Weiss 2004

About

Dual split backrests allowing for individual reclining comfort when sitting or lounging. The 3 positions in the back are easy to operate.

Elegant modular system that easily transforms into a bed while the matching reclinable chair completes the arrangement.

As part of a modular system two chairs can be put in extension of one another, creating a one-person bed.

Product Features

- Available from DK stock in 6 fabrics in 2-4 weeks. Also available in other Innovation Living fabrics in 13-15 weeks.
- Fully customizable system that allows you to combine style, legs and fabrics.
- Sofa bed size of 115 x 210 cm and chair bed size of 115 x 90 cm.
- Strong and durable metal frame construction.
- Knock down packaging: Delivered unassembled, easy for access and with minimum environmental impact.

Comfort

Pocket Spring: The individual pockets in these models ensure that pressure is applied to each individual spring for better support – in seating as well as sleeping position.

The high resilient foam casing contributes to a breathable mattress while providing a soft top support.

Dublexo Family

Design by Per Weiss 2011

About

Elegant modular system that easily transforms into a bed while the matching reclinable chair completes the arrangement.

The Dublexo is perfect for a quick nap or lounging in social settings. If friends decide to stay over, just fully recline the backrests of the sofa and let them enjoy a comfortable rest.

The 3 positions in the back are easy to operate.

As part of the modular system two chairs can be put in extension of one another, creating a one-person bed.

Product Features

- Available from DK stock in 3 fabrics in 2-4 weeks. Also available in other Innovation Living fabrics in 13-15 weeks.
- Fully customizable system that allows you to combine style, legs and fabrics as you prefer.
- Sofa bed size of 115 x 210 cm and chair bed size of 115 x 90 cm.
- Strong and durable metal frame construction.
- Knock down packaging: Delivered unassembled, easy for access and with minimum environmental impact.

Comfort

Pocket Spring Dual: The Pocket Spring Dual comfort share the general composition of the Pocket Spring models apart from the extra layer of hyper soft foam that gives these sofa beds an extra soft feel. This extra layer of luxury provides a soft seating comfort as well as a mattress recommended for everyday sleeping.

Merga

Design by Emil Højfeldt & Per Weiss, 2020

About

The Merga has a classic sofa bed design, intended to fit in most living environments and settings.

The mattress is extra soft due to its distinctive comfort consisting of no-zag spring, pocket spring and hyper soft foam on the top.

A cover with zipper-attachment is easily detached and is washable at 30 degrees, making the sofa easy to clean. If it is worn out or a new styling is needed, it is renewable, effectively ensuring you do not have to buy an entirely new sofa, as you can just replace the covers.

Under the seat Merga features a large storage box designed to store your everyday clutter. The storage box is easily accessed by lifting the seat.

Can be used as a one-person bed just by removing the cushions. If you lie down the backrest a comfortable bed for two persons is ready for a good night's sleep.

Product Features

- Available from DK stock in 3 fabrics in 2-4 weeks. Also available in other Innovation Living fabrics in 6-8 weeks.
- 10 cm Pocket Spring comfort.
- 75 / 140 x 200 cm size bed.
- Large storage box included.
- Strong and durable wood frame construction.
- Washable cover at 30 degrees
- Knock down packaging: Delivered unassembled, easy for access and with minimum environmental impact.

No-zag & Pocket Spring

A combination of No-zag Spring, Pocket Spring and HR-foam on the top. The No-zag Spring and the individual pockets ensure that pressure is applied to each individual spring for better support.

The high resilient foam on top contributes to a breathable mattress while providing a soft top support.

The mattresses:

Classic

Firmness rating: Firm

Mattress sizes: 120 / 140 x 200 cm.

Made from recycled foam, the Classic mattress is durable and provides a high degree of support for a comfortable sleep. Our high density foam provides strong motion isolation, making it easy to share the mattress. Choose our Classic mattress for a firm comfort.

Spring

Firmness rating: Soft

Mattress sizes: 120 / 140 x 200 cm.

The spring mattress is characterized by the soft comfort combined with effective pressure relief. Furthermore, the combination of fiberfill, a thin layer of foam, and the pocket springs ensure that the mattress is breathable and able to conduct moisture and heat away at night.

Soft Spring

Firmness rating: Extra soft

Mattress sizes: 120 / 140 x 200 cm.

The Soft Spring mattress offers a unique comfort achieved through the combination of pocket springs and the built in topper of hyper soft foam. Choose our Soft Spring mattress for an extra soft comfort.

Latex

Firmness rating: Medium

Mattress size: 140 x 200 cm.

A breathable natural core of high quality OEKO-TEX® latex ensures a durable mattress that adjusts to your body. Latex sleeps cooler than foam and reacts instantly to your every move. As Latex is derived from a sustainable resource, it is the eco-friendly choice. Choose our Latex mattress for a medium comfort.

Non-detachable covers

Nordic Mattress

This is the standard mattress look with pull downs. You decide the textile you like, and should you later happen to change your mind about style or color, you can choose between the two detachable cover options we offer.

Available for all mattresses on page 160.

Detachable covers

Nordic Cover

This cover has a sleek, rounded surface with stylings in each of the corners of the mattress. It covers up your entire mattress, giving you the option of choosing a different color. Should you want to change the look, simply buy a new cover instead of a new mattress. Available for all mattresses on page 160.

Sharp Plus Cover

This cover has a sleek surface with stylings across the edges of the mattress. It covers up your entire mattress, giving you the option of choosing a different color. Should you want to change the look, simply buy a new cover instead of a new mattress. Available for all mattresses on page 160.

Frame covers

A back frame cover is always included.

If you prefer the full cover look, a seat frame cover can be purchased.

No-zag and Pocket Spring

The combination of no-zag and pocket springs with a hyper soft foam on top create a unique softness in seating as well as sleeping position. The use of no-zag contributes to an extra layer of elasticity and allows the mattress to breathe.

The following models have this comfort:

Merga, Newilla and Newilla with lounger.

Bonell Spring

The Bonell Spring mattress is characterised by the use of strong, connected springs topped with a layer of high resilient foam. This spring type distributes the pressure from your body on a larger area to create an even, yet elastic support.

The following model has this comfort:

Vanadis.

Sigmund

Pocket Spring mattresses ensure that pressure is applied to each spring separately. The result is a mattress that supports individual parts of your body better. The springs are surrounded by layers of high resilient foam providing a soft top support – whether for playing, sitting, or sleeping. Pocket Split mattresses consist of two separate mattresses that can be used separate or in combination.

The following model has this comfort:

Sigmund.

Comfort

5-zone Multi-Pocket Spring

The breathable Multi-Pocket Spring mattress - designed for comfortable sleep with as many as 650 springs per square meter and 5 comfort zones to support the individual parts of your body. Furthermore, the cover is removable and can be washed at 60 degrees Celsius.

Available for:
Eivor and Killian.

Dual Memory

The Dual Memory mattress features two comforts in one as the mattress is reversible with one side consisting of an 8 cm high density foam whilst the other side consists of 4 cm OEKO-TEX® certified memory foam. Whether you prefer soft or firm comfort this mattress offers both. Furthermore, the cover is removable and can be washed at 60 degrees Celsius.

Available for:
Eivor and Killian.

Puri

A core of high resilient OEKO-TEX® foam surrounded by soft layers of fiberfill creates a firm mattress suitable for comfortable seating and sleeping.

The following model has this comfort:
Puri.

Inno Toppers & Mattress Pads

Inno Toppers

80 / 90 / 120 / 140 / 150 / 160 / 180 x 200 cm.

A 5 cm durable and reversible top mattress with a core of hyper soft foam that provides an even and supportive sleeping surface on all adjustable sofa beds. The cover is 100% polyester which is breathable, removable and machine-washable at 60 degrees Celsius.

The top mattress comes with a bag for storage when not in use. The bag helps minimise the volume of the topper for better storage.

Mattress Pads

80 / 90 / 120 / 140 / 150 / 160 x 200 cm.

A mattress pad provides a little extra cushioning and an added layer of protection for your mattress. They can be removed and machine-washed at 60 degree Celsius. The fabric is OEKO-TEX® standard 100 certified.

Available for most mattresses.
